The Magical Mystery Tour of Sacred Sites surrounding Budapest

Tuesday July 31 through to Thursday August 2

Join us for a very special time together as we journey in our own coach to these special locations. The local Feng Shui practitioners know these areas well and have carefully selected them for us.

Featuring: Group meditations, ceremonies, energy flows and drumming group.

Lake Balaton, the largest Lake in Europe with the countrys highest peak being Mount Keyes. Sandy clean pristine beaches, so bring your swimmers.

Szentendre, a town of narrow streets, stone and

wood, a charming old town centre, and a large open air museum of historical dwellings.

Follow the Danube as it breaks through into the Pilis Hills, rolling green scenery and historic monuments.

The Sacred Sites Tour of Transylvania Depart Friday Aug 3 from Budapest airport Return Tuesday Aug 7 to Budapest airport

Join Dan Winter, Roger Green, Melinda Szemerey and friends for a trip of a lifetime!

EARLY booking is essential for this trip - as airfares get booked out early.. There is only one plane going to Transylvania on Friday 3rd August- and we want you to be on it.

Some say that Transylvania sits on one of the earth's strongest magnetic fields and its people have extra-sensory perceptions. The area is also home to Bram Stoker's *Dracula* and Jules Verne's *The Castle from the Carpathians* and it is easy to get caught up in the tales while driving along winding roads through dense, dark, ancient forests and mountain passes. Our focus will not be on the usual tourist places, but on the high-energy field sacred places. We are guided to these secret places by Melinda Szemerey, who was born and bred in this area and is now a Feng Shui practitioner and teacher living in Budapest. A glimpse of what pre-industrial Europe looked like.
