SOUTH FRANCE RETREAT & STUDY TOUR MAY 20-27

For those who enjoy French cooking, wine, countryside, sunshine and great international company... and who are deeply committed to the search for the HOLY GRAIL...

then join us and book quickly...

Vincent Bridges is one of the world's foremost Nostradamus scholars and is featured in nine documentaries on Nostradamus airing on the History Channel.

Delve into the secrets of Van Gogh, Da Vinci, Knights Templar, early Christianity, the Holy Grail, Da Vinci Code, the mysteries of Rennes-le-Chateau, The Merovingian Bloodline, Sacred Geometry and meanings of the landscape, The Cathars, the secrets of Alchemy, Nostradamus' prophecies, John Dee, Shakespeare, Freemasons and The Occult Roots of Christianity, and a bold reinterpretation of the story of human civilization – the DNA galactic connections – as told by experts Dan Winter and Vincent Bridges at our retreat...

The bloodline of the Merovingian's French royal family stems not only from Christ and Mary Magdalene, but in fact, goes back to

the god-kings and queens of the Antediluvian world. Throughout history it has inspired the activities of secret societies, and guided the destiny of humanity. It has been at the center of a struggle both cosmic and terrestrial that has lasted for thousands of years.

Our retreat is designed to take in the world famous ritual of the Black Madonna and Gypsy festival – it is the most popular time of the year to be in St Remy, Provence. And we are lucky enough to stay eight nights in Nostradamus' brothers Château de Roussan.

Giving you a 'total experience'. We literally walk through thousands of years of history...
